CME

Gas flow meters, laminar flow sensors and calibrators.

**Santest Co., Ltd.**

Magnetostrictive Displacement Transducer
(High Accuracy Non-Contact
Absolute Linear Sensor).
PID and I-SAC Servo controllers.

**Hardy Instruments ***

Products for process weighing and Web/Tension control.
Process Weighing: Controllers, indicators and transmitters,
load cells, Junction boxes, platform Scales.
Web/Tension control: Controllers, Load Cells, LVDT,
Pneumatic breaks and IP converters.

**Honeywell SSEC**

Intelligent commercial and rugged pressure transducers, as well as
very high accuracy Pressure Altitude Sensors, Barometer Sensors,
and units for Air Data applications, engine and weaponry monitoring.

**Mytech**

Standard and Custom Liquid Crystal Displays.

**ASA Electronics Industry Co., Ltd.**

Flexible plate couplings, Plastic couplings,
Oldhams couplings, Rigid couplings and Ball couplings

Magnetic Proximity Switches, Ferrous Proximity Switches
and Contactless Touch Switches

* **Territory: All six New England states.**

** **Territory: Massachusetts only.**
